

AMERICAN SOCIETY OF SAFETY ENGINEERS

On/Off-Campus Fires: Key Safety Resources

July 2005-7

The following are resources on fire safety and prevention. ASSE encourages students, parents and administrators to review the resources below to prevent future fires and tragedies.

- U.S. Fire Administration, www.usfa.fema.gov/safety/atrisk/campus , 301-447-1000 -- for facts, PowerPoint presentations and more.
- U.S. Occupational Safety and Health Administration (OSHA), www.osha.gov, 1-800-321-OSHA.
- Fire Safety, www.firesafety.gov , 301-447-1000 – a resource for eliminating residential fire deaths.
- The National Association of State Fire Marshals, www.firemarshals.org , 877-996-2736-- handle fire safety code adoption and enforcement, fire and arson investigation, public fire protection education and more.
- Underwriters Laboratories, Inc., www.ul.com , 847-272-8800.
- Fire Safety and Directory, www.firesafe.com -- contains national and international fire protection information links.
- Fire Safe Council, www.firesafecouncil.org .
- American Society of Safety Engineers, www.asse.org, 847-699-2929.
- For a list of states with retrofit sprinkler laws, please visit the National Fire Sprinkler Association website at <http://www.nfsa.org/info/retrofit.html>.
- The National Fire Protection Association, www.nfpa.org, 617-770-3000.

In addition, contact the campus safety, health and environmental department or the local fire department for important information about fire prevention. For more information or questions about fire safety on colleges/universities, please contact:

American Society of Safety Engineers' Fire Protection Branch (PS)
1800 East Oakton Street
Des Plaines, IL 60018

847-699-2929; www.asse.org
